Alma Mater

Lincoln shining torch of learning
You will always be
Tower light forever burning
For the world to see.

Chorus

Raise your voices now to praise her
Raise them to the sky
We will love our Alma Mater
Till the day we die.

May the friendships that we've made here
Ever strong and true
Like the mem'ries that we hold dear
Keep us close to you.

Class Song Lyrics

“In My Life”

“In My Life”

There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain

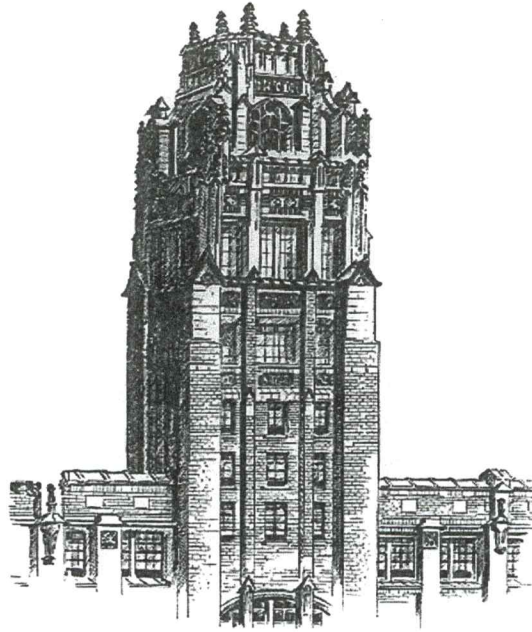

All these places had their moments
With lovers and friends, I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

Though I know I'll never lose affection
For people and things that went before
I'll know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more, in my life I love you more
